

# THE SPIRIT OF CONDORSTOWN

The Bakersfield Condors are looking for individuals that are an inspiration to others!

Do you know someone who has made a big impact on other people's lives or the community of Bakersfield? Someone who has taken a negative situation and turned it into a positive? Someone who has overcome overwhelming odds or an immense obstacle? Someone who daily exhibits the values of selflessness & perseverance? Now is your chance to get that person recognized at a Condors game! As part of our 15<sup>th</sup> Anniversary Celebration we are honoring community members who make Bakersfield the great place that it is! If selected, recipients will receive in-game recognition, tickets and some cool gifts.
